Customer Problem Statement Template:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1 Freshly graduated students and employee's Looking for job change are finding it difficult to find a job suitable to their skills	Rishi who is an undergraduate pass out is well versed in the field of cybersecurity and network connections finds it difficult to scout an opportunity that is suitable to his skillset	I am looking for a platform which had wide variety of options for different skills	I am unable to find the right kind of job for my skills	The suggestion system is not optimal	I feel there is severe a lack of proper opportunities And no chance for people with different skillsets
PS-2 Finding the right kind of job vacancies which suits your skill set perfectly is difficult	Aditi wants a platform that will keep her updated on job vacancies regularly and update the status of her current application	I am looking for the right website or Application which will show me optimal solution	I am unable to find the right application or website.	It is challenging and hard to find a platform which is accurate with its recommendations	I feel lost while trying to find a job vacancy accommodating my field of interests.
